Sir,

I have the honour to state that at the instance of the Municipal Board of Channarayapatna during the year 1907 the Amildar recommended the levy of fees on carts entering the Shandy within the Municipal limits of Channarayapatna with a view to better the finances of the Municipality so as to have sufficient funds for the improvement of the town, and after some correspondence the question was dropped owing to the adverse seasonal conditions during the year 1908-09 This question was again brought up during the year 1913 with some alterations so as to admit of tolls being levied on all carts entering the Municipality and also to do away with the levy of Octroi altogether As this proposal did not appear suitable owing to the fact that many carts might be escaped from payment of tolls on the plea that the carts were bound to other destinations the matter was again referred back to the Municipal Board for their reconsideration Now the Amildar has proposed in modification of the resolutions of the Municipal Board of Channa- [illegible] passed at their meetings held on 23rd May and 30th
